

# ***Paradise Pizza***

*In our slice of Paradise, we strive to exceed the expectations of our customers, and guide teams to surpass their expectations of themselves.*

## **Bad Order Policy**

Each Bad Order must be accounted for on Zenput using the Bad Order Log form. This ensures that you have the information needed when an audit occurs at your store. The manager in charge each shift is responsible for making sure all bad orders are tracked daily. Failure to do so can lead to disciplinary action.
