

About Paradise Pizza

Paradise Pizza dba. Domino's Pizza is a locally owned and operated Franchise along the Emerald Coast of Florida.

Sure, we make delicious pizza, and we make it quickly. In fact, Pali Grewal, Domino's World's Fastest Pizza Maker can make three large pizzas in just 32.28 seconds — that's less than 11 seconds per pie! We also make delicious oven-baked sandwiches. And some pretty tasty chicken. But we do a lot more than that. We give busy families the chance to catch up over a great meal. We put smiles on our customers' faces when we show up with piping hot food. Just when they need it, as we have for 50+ years. We get to know our regulars like they're our neighbors.
